

# ROSEHILL REVIEW

## Principal's News

**Kiaora Whanau,**

**As we come to the end of Term 1, I would like to acknowledge what a great term it has been. We are incredibly impressed by how well the Year 7 students have settled in, and how the Year 8 students are stepping up as the senior members of the school. The term has just flown by.**

**Sadly we have to say goodbye to Ms Gupta from Room 13, as Mrs Kim Williams returns to RIS to take her class. We appreciate everything she has done for the class and we hope to see her back at RIS on a regular basis as a reliever.**

**Just a gentle reminder , whanau that we actually start at 8:50 not 9:00 or 9:10.**

**Lateness has started creeping in and it is very disruptive to the start of the day when our wellness programmes start. Please ensure your child has enough sleep to enable them to self manage in the mornings and be at school on time. 8:30 is a good time to be at school to set up for the day ahead.**

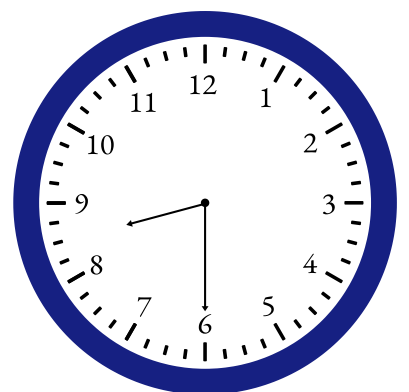

**Wishing you all a break over the holidays**

## News from the Board

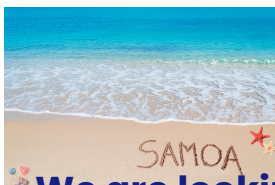

**We have recently been presented with this year's Annual Plan for the school. It is good to see the academic evidence of where all our students are sitting regarding their levels of achievement, however, we acknowledge there are some challenges ahead.**

## Cell phones in School

**At RIS all cell phones must be handed into the office and signed in and out on a daily basis. Students are not permitted to keep them on their person or in their bags. All phones handed into the office are kept in a secure cupboard.**

## Samoan Speaker

**Talofa**

**We are looking for a Samoan and English speaker to work with one of our students from 9:00 – 10:30 every day. If you are interested please call the school office. We would love to hear from you.**

**Fa'afetai**

## Hats Away

**Hats are not compulsory in Terms 2 and 3. Please encourage your child to put them away in a safe place so they can use them again in Term 4.**
