

# The Rosehill Review

Term 4 ISSUE 7

13th October 2020

## Principal's News

Kia Ora,

Welcome back for Term 4.

It is such a relief to be back at Level One and be able to engage in our full array of school activities. We look forward to all our school sports competitions resuming, our school assemblies and team activities being held, and all our school clubs back in full swing next week.

This week we welcome Constable Dan Islip who is coming into our school to run a cyber safety programme. Unfortunately, there still seems to be some individuals who are not engaging in respectful relationships when on a digital platform. This issue will be addressed within the programme.

As you may be aware the Ministry of Education has put a zone around our school. This is to balance the influx of growth that is planned over the next few years. We are excited to let you know that next year we are getting two new classrooms and the year after that we will be having a block of up to 9 classrooms built!!

By the end of this year we will have all our netball and basketball courts covered in turf so that we can utilise these spaces more. We are all looking forward to our "new look" Rosehill!

## **Rosehill Intermediate School Enrolment Process**

The Rosehill Intermediate School Board of Trustees invites applications from parents who wish to enrol their child/ren at Rosehill Intermediate School for next year.

Enrolment at the school is governed by an enrolment scheme, details of which are available from the school office and online from our website [Rosehill Intermediate: Home](#) Enrolment packs are downloadable from our website now or from our school office from the 12th October 2020.

The deadline for receipt of applications for out-of-zone places is **4th November 2020**.

Parents of students who live within the home zone should also apply by this date to assist the school to plan appropriately for next year.

The Board has determined that 100 places in Year 7 and 5 places in Year 8 are likely to be available for out-of zone students next year. The exact number of places will depend on the number of applications received from students who live within the school's home zone.

If the number of out-of-zone applications exceeds the number of places available, students will be selected by ballot. If a ballot is required it will be held on **6th November 2020**. Parents will be informed of the outcome of the ballot within three school days of the ballot being held.
